The Solivita Radio Club's participation in the American Radio Relay League (ARRL) Field Day 2022 was a huge success! Our club made many contacts with others around the country and world under off-the-grid simulated emergency conditions. Field Day tests our club's ability to assist the Solivita community if outside phone and internet communications were lost during an emergency. If interested in wireless communications, please attend one of our meetings held the last Thursday of each month at 7:00 pm, in the Gator Room. To join the club, please contact Paul Bresnowitz at 201-919-6875 or N2TTR@ARRL.NET.
