

Solivita Quilters

Here are just a few summer challenges projects. The Solivita Quilters met at the Cooperstown Pavilion for the annual summer challenge reveal. A good time was had by all, observing corona virus protocol.

Solivita Radio Club

Fox Hunt in Solivita! Yes, you read that right. The Solivita Radio Club held its first ever Fox Hunt!!! Unlike Hunts in Old England, the radio club was hunting “The Fox”, a hidden radio transponder. The club started out by constructing the antennas for this event at its September meeting. Then we met on September 14th to hunt “The Fox” hidden somewhere within Solivita. Using handheld radios and homemade antennas the location of the Fox was found, first by Mike Urban! Many thanks to Jerry Sheldon (W9MET) for putting this event together! Our club meets the last Thursday of each month. Contact Reg Thomas for more information at 313-383-5321, or email at Rdtbank@yahoo.com.

Indiana Friends

As 2020 comes to a close, we hope that you and yours have a wonderful Holiday Season and a healthy and happy New Year! May 2021 be all that we are hoping for! As a happy reminder of holidays past, we’ve included four pictures of a previous Indiana Friends dinner. At our October Zoom meeting, the members in attendance didn’t feel comfortable gathering just yet, but as soon as we’re able, upcoming events will be sent to members via email. In the meantime, anyone interested in joining Indiana Friends, please contact our president at jcwolber@msn.com.
