

Sew 'N So Club

Sew 'N So's Crafter's Marketplace

We think we saw you there. You were buying raffle tickets. Then we saw you at the baked goods table buying what looked like delicious food. You were also wandering through all of the vendor's tables. There certainly were some great crafts. Did you buy anything? We did some holiday shopping. There were so many choices! We saw you at the raffle drawing. We were opposite you just waiting for our number to be drawn, but it wasn't. So, we got our things together and left and just waiting for next November 14th when we might see you again!

Solivita Radio Club

2021 was a great year for the Solivita Radio Club and we're looking forward to 2022. The club demonstrated their ability to operate off-the-grid by participating in both the Summer and Winter Field Day Events. We became affiliated with the American Radio Relay League (ARRL), the national association for amateur radio. We held multiple activities to enhance our radio skills and awarded our first annual K9YCG, *Loren T. Mathews Award*, created in remembrance of Loren's contributions to the hobby of amateur radio in Solivita. Go to SolivitaHOA.com for more information on joining our club.

Cork & Bottle

Another year behind us, and here's hoping that 2022 finds things getting better and allow us to hold many more in person events. A big thank you to Rosie Fogarty for a fun night with a vertical tasting of wines from Chile, Portugal, and Oregon. This was our last tasting of the year, and in December we enjoyed our annual BYOB holiday party at the home of Vickie Kellogg. Wishing everyone and very Happy and Healthy 2022!
