

Solivita RV Club

The Club has grown to 49 rigs with 96 members. Several members traveled to Wekiwa Springs State Park in May, and enjoyed the cool spring waters, campfires, and a visit to Mt. Dora. Through our summer travels we will stay in touch through emails and our club webpage at SolivitaHOA.com or solivitarvclub.com. Meetings are suspended until September 15th when we will meet at RSF2 at 4:30pm. For information, contact President Tom Digate at solivitarvclub@gmail.com.

Ladies Bridge Luncheon

Mark these dates on your calendars: November 3rd and February 2nd!!! All levels are welcome, join us. For more information, contact Bonnie Byrne at 407-319-2077.

Crafty Red Hatters

The Crafty Red Hatters are back to our regular meetings. Zoom was fine but meeting in person is so much better. A big thank you to Sharon McLafferty for leading us in creating great little miniatures. Looking forward to some great crafts in the coming months.

Republican Club of Solivita (RCS)

Your Republican Club of Solivita held a complimentary, and extremely successful first-time event, our own RCS spin on "Trivial Pursuit," presented by Kenny Zail, which was held in the Ballroom on June 17th.

All who attended had a great time, testing their knowledge of Republican history, past and present. Representative Fred Hawkins, House of Representatives District 42 will be one of our guest speakers at our meeting. Freedom Works Director of Senior Initiatives & Retirement Readiness, Clara del Villar, will speak on the Biden Administration regarding retirement funds. For further information, contact Pat Schmid at 407-255-3300.

Solivita Radio Club

The Solivita Radio Club is where members interested in various forms of wireless communication can meet and expand their interests. While most members are licensed amateur radio operators, referred to as HAMs, the club is supporting other radio services such as General Mobile Radio Service (GMRS). In the past year, the membership has grown. The club holds both in-person meetings and daily on-air meetings for HAM members. The club has held online training sessions for those interested in getting their amateur radio license. If you are interested in joining, please check out our club website on SolivitaHOA.com.
