

## Horseshoes Club of Solivita

The club added six new players/members from the Club Expo. There were also quite a few inquiries about starting a women's division. In addition, to accommodate more options for members, we have started a Tuesday night league. We had a tournament on Saturday, February 26th. We play using a handicap so everyone can win regardless of skill. Come watch us and throw on a few shoes to see how you like it. You can come to any of the sessions which are Tuesday, Thursday, and Saturday at 9am.

## Solivita Radio Club

The Solivita Radio Club kicked off 2022 with a table at the Solivita Club Expo. Pictured are Club Members setting up the demonstration of an Amateur Radio receiving Morse Code and Single Side Band audio stations which attracted much interest. If you are interested in learning more about Amateur Radio and joining the club, please come to a meeting or see our website on the [SolivitaHOA.com](http://SolivitaHOA.com) site. If there is enough interest, the club will offer license exam training sessions.
