

## Indiana Friends

Like most of us, the Indiana Friends members are continuing to distance ourselves while maintaining our health and safety. We've included a nostalgic look back at the Club's Magical Dining experience last September. Perhaps soon we'll be able to resume our usual activities, but in the meantime, we'll sport our masks with pride. Once we are able to reschedule our events, members will be notified via email. For new member inquiries, you may contact our president at [jcwolber@msn.com](mailto:jcwolber@msn.com).

## Solivita Radio Club

The Solivita Radio Club's first Field Day was a big success! That's where Ham radio folks contact others around the country and world under simulated emergency conditions. This exercise proved our club could assist the Solivita community if outside phone and internet communications were lost. The club has been very active even with the virus situation. The club meets every night on the radio to discuss a wide range of topics. This is a great way to make new friends while maintaining social distancing. To join the club, please contact Reg Thomas at 313-383-5321 or [rtdbank@yahoo.com](mailto:rtdbank@yahoo.com).

## Shalom Club

The club began holding "ZOOM" meetings in June. We did a presentation called "Growing Up in the 60s." Our July ZOOM meeting featured "Music of the 60s: A Sing Along." In August, we presented "The Righteous Among Nations" which was about Christians honored for aiding Jews during the Holocaust. Yom Kippur is less than a month away and unfortunately the club will not be able to hold our popular community break the fast due to the pandemic. We hope that our members and the entire Solivita community stays healthy as we celebrate Rosh Hashana, the Jewish New Year followed by Yom Kippur, the Day of Atonement.

## WORD COUNT

Club News articles are restricted to **100 WORDS** or less. Submissions that do not meet this requirement will be reduced by **Reflections** staff.

## Stonegate Couples Golf

The Stonegate Couples Golf League has been playing throughout this hot, humid and rainy summer. We are practicing social distancing and still having a good time. So far this year, we have had one hole-in-one by Jeanne Derham! There is still time for a few more. The couples group meets every Saturday morning for a great morning of golf. Hopefully soon we can go back to our lunch following golf at The Grille.
