

## Solivita Christian Fellowship

On July 2nd, we sponsored *Celebrating Freedom* at The Palms. Festivities began with an ice cream social, presentation of Colors, the Pledge of Allegiance and the National Anthem. We sang patriotic songs, competed in U.S. history trivia, and watched stirring music videos. The evening was a fitting tribute to God and country and the blessings of freedom we enjoy. Next year's celebration promises to be even bigger and better as the venue changes to the Ballroom. Join us! For further Solivita Christian Fellowship information, please visit our [SolivitaHOA.com](http://SolivitaHOA.com) club webpage or send an email to [dlnavy66@gmail.com](mailto:dlnavy66@gmail.com).

## Massachusetts Club

When you're hot, you're hot at the Massachusetts Club Pool and Pizza event! We just finished another good time mixing people and reminiscing even with rain and thunder. The highlights were a game of *Two Truths and a Lie* and walking down memory lane with Massachusetts businesses and historical places. Our next event is our annual Pub Night on October 22nd at 5:30pm when Mosaics is turned into an Old English Pub. The cost is only \$32. RSVP to Maria Kevgas at [Sotirios5@aol.com](mailto:Sotirios5@aol.com). P.S. Thanks to Rick and Margie Segel for hosting the Pool Party!

## Solivita Radio Club

The Solivita Radio Club's participation in the American Radio Relay League (ARRL) Field Day 2023 was a great success! Our club made 688 radio contacts with all 48 contiguous United States, Hawaii, Puerto Rico, U.S. Virgin Islands, and 11 other countries under off-the-grid simulated emergency conditions. Field Day tests our club's ability to assist Solivita if outside communications were lost during an emergency. If interested in wireless communications, please attend one of our meetings held the last Thursday of each month at 7pm in the Gator Room. To join the club, please contact Paul Bresnowitz at 201-919-6875 or [N2TTR@ARRL.NET](mailto:N2TTR@ARRL.NET).
